**Geauga County appraisers to be doing field work to  
prepare for 2017 reappraisal**

Monday, August 24, 2015

Geauga County Auditor Frank J. Gliha announced that beginning in September there will be appraisers doing field work in preparation of the 2017 reappraisal.

This process takes approximately 18 months during which time residents may encounter the appraisal staff visiting property to verify property information and building/home dimensions, according to a news release. The appraisers will be viewing only the exterior of buildings and homes.

Any property owner that wishes to have a more thorough inspection may feel free to contact the Auditor's Office to request an inspection. If occupants/residents are not available during the visit a door hanger will be left to notify the resident/occupant that a member of the Auditor's staff had been on site.

The news release noted the appraisers will be in marked vehicles and will have ID badges. If any resident has any concern that the person visiting their property is not from the County Auditor's Office they can contact the County Sheriff's Office or their local police department.

Anyone with questions or concerns can contact the Auditor's Appraisal Office at 440-279-1600 or by e-mail at [appraisal@co.geauga.oh.us](mailto:appraisal@co.geauga.oh.us).
